E-MAIL: Re: Carpenter 2000CD Date: 99-06-01
From: PaW Zake@aol.com To: JRCRIN001
Thanks for responding: We'll try this ...
James W. Carpenter was born about 1861 in DeSoto County, Miss
He married Cass Crow about 1876-1879 They lived in Tate Co.
He died 11/11/1931 In Titus county, TX.
I believe that his father was John W. Carpenter born 1831-1833 in NC
Md Mary C 1853-1855
Died between 1861 and 1865 (in war?)
He was in DeSoto Co, Miss in 1860 as J W, but 1863 Military Tax lists only show John W.
1860 census shows worth of 4800 and 17,500
John and Mary's children: J.B. male about 1856 WT sex unknown abt 1858
James W. abt 1861
In 1870 DeSoto County Miss they are with J G Worrell and Mary has two new Worrell children the oldest born about 1866.
If you need more, please contact me--have hit a brick wall. Have been trying to find military records for a JW and found a Capt. JM Carpenter from Tishomingo, Co who was killed 7/28/1864 and a JW Carpenter who was found on a POW list and muster records from2/15/1862-10-1864 from Pontotoc County, but does not say if he lived or died.
Thank you for any assistance. Have records on descendants if this matches up!!

E-MAIL: Subject: J.W. Carpenter of DeSoto Co. MISP Date: Mon, 19 Jul 1999
From: PaWZake@aol.com
Have been lurking for a while and now feel I can post:
1860 DeSoto MISP Census

J.W. Carpenter, 29	NC	
M.C.	23	GA
J.B.	4	MISP
W.T.	1	MISP

He had a personal value of 4800 and 17500. That seems large for those days and the surrounding valuations by others. Granny said that they lost a plantation in the War and that a town is now built where it was. Is this value enough for a small plantation??
1863 Military Tax Lists only a John W. Carpenter so probably is his name.
1870 De Soto Co believe that the following is his wife and new husband. If this is her, then maybe J.W. was killed in Civil WAr.

J.G. Worrell	42	TN
Mary C	32	GA
J.B. Carpenter	14``	MISP
W.T. Carpenter	12	MISP
J.W. Carpenter	9	MISP
Lilla Worrell	4	
Annie Worrell	1	

Believe that either the JB or the JW is the following:
1880 Tate County MISP

James Carpenter	24	MISP
Cassa	23	MISP
Willie	1	MISP

James and Cassa(na) were married in Carroll County 2/28/1878.
Cass's father Riley Crow married his second wife Elizabeth Johnson in Carroll County 1/17/1878.
Believe that J.G. Worrell and Mary may have moved to Caroll County after 1870.
Have not been able to match my James W. Carpenter who married Cassana with any Carrol County Carpenters.
Am new to this so any leads appreciated.

Thomas Asbury McSwain
Birth: 8 Nov 1848 Stanly County, North Carolina, USA
Death: 15 Mar 1890 (aged 41) Charleston, Charleston County, South Carolina, USA
Burial: Magnolia Cemetery, Charleston, Charleston County, South Carolina, USA
Plot: 2.04.16
Memorial #: 158113839
Bio:
Thomas Asbury McSwain was the son of Charles McSwain and his second wife, Sarah Lucinda Throckmorton. Charles McSwain was the son of David McSwain and his first wife, Catherine Robertson. David McSwain was a Revolutionary War soldier. The DAR designated him as "DAR Ancestor Number A076503".

Charles McSwain had been married first to Luraner Washburn. They had a large family with at least fifteen children. Shortly after her death in 1847, McSwain married Ms. Throckmorton, daughter of Thomas and Rosanna Wilkinson Throckmorton.

Their only child, Thomas Asbury McSwain, was born on November 8, 1848. Charles McSwain died on December 19, 1848.

In 1853, the widow McSwain married widower William Riley Upchurch, the son of Howell and Elizabeth Dudney Upchurch. On May 7, 1846, he had married Sarah Randall with whom he had a son, Osborne Howell Upchurch. Two days before Christmas 1852, his first wife died.

Sarah T. M. Upchurch was at least ten years older than her second husband. By him, she had two additional children: daughters Tempie Upchurch, who married Maston C. Blalock, and Lucy Upchurch.

On November 7, 1867, Thomas McSwain married Alice Ann "Aly" Carpenter, the daughter of Shelby Carpenter and Mariah Woodruff. Just as her husband was a descendant of an RW soldier, so was Mrs. McSwain: she was a descendant of Thomas Carpenter, DAR Ancestor Number A019535.

Thomas and Aly McSwain had a large family. Their children were:

Charles W. McSwain
William McSwain

Osborne Benjamin McSwain
Ricmond D. McSwain
Tempy J. Mc Swain
Virgil McSwain
Joe H. McSwain
Sallie McSwain
James McSwain

In February 1890, Thomas and Alice McSwain moved from North Carolina to work in Charleston, South Carolina. Six weeks later, they died of "congestion of the lungs". Three of their children died from the same condition: Tempy, Virgil, and James. The children were thirteen, twelve, and six, respectively, when they died. Son James died first and was interred on March 12, father and daughter were interred the same day, March 17, Alice McSwain was interred on March 22 and Virgil on April 4. The five family members were buried together in this historical cemetery in picturesque Charleston, South Carolina.

This database details those persons enumerated in the Slave Schedule of the 1850 United States Federal Census, the Seventh Census of the United States. In addition, the names of those listed on the slave schedule are linked to the actual images of the 1850 Federal Census. In most cases, individuals were not named but were simply numbered and can be distinguished only by age, sex, and color; the names of owners are recorded. However, some enumerators listed the given names of slaves, particularly those over one hundred years of age.

6189. **Creed Columbus Carpenter**

BURIAL: PLACE - Saddle Mt. Cemetary, NC
Creed along with Thomas Willey were early settlers of the community of Vox, NC between 1870 and 1900.

Creed Columbus Carpenter, enlisted in the Confederate Army, 3- May -1862 in Wilkes Co., N. C. CO 1, 61st. Inf. Reg.
He was an early settler in the Vox community, Alleghany Co., N. C.
He married Frances Susan Willey at the home of Ambrose Willey,(her father). The marriage was performed by Squire William Joines.
On the 1900 Alleghany Co., N. C. census, they had been married for twenty-three years and had nine living children. One died young.
He died 4-Oct.-1916 and is buried in the Saddle Mtn. church cemetary, Alleghany Co., N. C.
It has been said, not verified, that he was part indian, on his mother's side of the family (Malinda \ Lydia Richardson). It has also been said that twins, Houston and Hasten Richardson were first cousins to Creed.

Flora Adair

AFN DXV8-PQ (Flora Carpenter) and RNC1-H1 (Flora) are the same person but not for this John Andrew Carpenter. This correction provided by Carolyn W. Spence of Trinity, NC in a letter dated 8 Mar. 1999.
The correct Flora Adair Carpenter is listed as a spouse for John Andrew Carpenter, son of Creed Carpenter, grandson of "Buck". She is a daughter of Albert Carpenter, and granddaughter of "Buck."

6191. **Elizabeth Carpenter**

All info on Elizabeth's family came from a LDS file.

6192. **Albert Carpenter**

SPOUSE: Did Albert marry a "Eletha"?

CENSUS: Surry Co., N. C. census said they had been married twenty-two years and had seven children. Death Cert. says his mother was Mary Brannock but this is not true as she did not marry his father until he was ca, age 29.
The 1880 Surry Co., N. C. census lists his occupation as carpenter.
Buried in the Snow Hill burial ground, Surry Co., N. C.

Known as ANDY WILLEY:
This Andy is Thomas & Martha Willey's son. I was told by Ethel Burcham Willey that Andy had only one leg, probably lost in an accident. On a trip to the Independence Courthouse, we found his marriage license and he married his first cousin Ettie Hudson, who was the daughter of Wiley & Adeline Willey Hudson.
I have a picture of Andy Willey and his wife Etta, as told to me, to be Walter Bailey Willey's favorite Uncle.
We have heard of someone recently who recalled hearing of a "Peg Leg" Willey, who worked for a Mr. Reece Hale, in Grayson County, and this "Peg Leg" was excellent in carpentry, which was his profession.
(Walter Bailey Willey was known to be a excellent carpenter too, although he was not a professional, so therefore I assume someone taught him. Probably his favorite Uncle Andy.)
Andy died in 1920 at 34 years old and is buried at the Rock Creek Primitive Baptist Church, just East of Independence, VA. Also buried there is Bessy Willey who was Andy & Etta's daughter, who died as a baby. I don't know if there were other children.

6195. **Martha Jane Carpenter**

BURIAL: PLACE - Cross Roads Primitive Baptist Cemetary-Va.
Notes for MARTHA JANE CARPENTER:
According to Ethel Burcham WIlley, when Martha was buried, water rose in her grave, and they stopped burying people there, so Thomas Ambrose had to be buried at Saddle Mt. in NC.

Buried in the Cross Roads Primitive Baptist church cemetary, Baywood,,VA

Thomas Ambrous Willey

Data per Carolyn Spence of Trinity, NC in a letter dated 8 Mar 1999.

Notes for THOMAS AMBROUS WILLEY:
Visited with Calvert Cecil Willey (Willie) of Fries, VA on 9/6/1998 at his home. Calvert is the last remaining grandchild of Thomas Willey, that isn't in a nursing home. Calvert has just turned 81 years old. Calvert is the oldest child of Robert & Bessie Spears Willey.
Calvert identified the picture who I thought to be Tom, as Tom, his grandfather. He did not recognize the woman with Tom in the picture, but this is understandable as Martha J. died in 1914, and Calvert was born 8/16/1917, so he would not remember his grandmother Willey. Calvert's parents divorced when Calvert was nine years old, but up until then he spent many hours with his grandfather. He related how one time when he was about 4 or 5, he was with his grandfather and Tom gave him some fragments of strips to play with and Tom lit them on fire with his big box of matches. (Tom smoked a corncob pipe and always carried long handled stick matches.) When the fire was dying out Calvert took 2 strips of wood used in making baskets and recaning chair bottoms and threw them into the fire, when Tom wasn't looking. Tom called the boy over and scolded him, and then whacked his bottom with one of the strips.
Calvert recalled that was the only time Tom ever spanked him.
Calvert said Tom had a long white beard down to his belt. Tom would travel around selling baskets and recaning chair bottoms. When people in the neighborhood saw Tom coming, they would send children to the neighbors or call each other if they had phones to let everyone know Tom Willey was coming. Neighbors would then scurry out to meet Tom with their broken chairs, or to buy baskets. Calvert recalled all the children loved Tom and would follow him around like a Pied Piper. He told them stories of things he saw or did in his travels, and maybe had a piece of penny candy for each. Calvert said that Tom always said "GEE JINGO" before everything he said, and we don't know what that meant. Calvert said that his Grandpa Tom did talk funny, and that the children loved to hear him speak. (This could be the Irish accent I heard about from my grandmother Ethel B. Willey, and her daughter Reva W. Akers. They both said Tom was from Ireland, although I now know he wasn't born there.)
Tom had so much work to do in some neighborhoods that he sometimes stayed a week or two before he went home. (In those days chairs were handmade and when the bottoms broke, they couldn't just throw the chair away, they saved it to be fixed by Tom Willey or other recaner.)
Calvert said that Tom would shave and whittle long strips of wood (I think he said black gum trees) to be used in weaving baskets and chair bottoms.
Also Calvert told Carolyn Elliott and I that some years ago some of the family had tried to re-bury Martha J. down at Old Saddle Mountain Primitive Baptist Church, so she could be with Tom, but either money or permits wouldn't allow it. Carolyn and I visited Saddle Mt. cemetery and Tom does lie with an empty plot next to him. When Tom died in 1926, he couldn't be buried beside

Martha in Baywood at Hampton Cross Roads church because water rose in Martha's grave, and they wouldn't allow him to be buried there. He is buried with Martha's relatives in the Carpenter plot at Saddle Mountain in NC.
Calvert also recalled a Willey reunion in the late 1950's or early 1960's at Ford Carpenter's house somewhere around Low Gap NC. He said on the way they met Bert, Quince and Herman, Jack Willey's boys, and led them to the reunion as they didn't know how to get there. He said that his cousin Tom (son of Jesse Willey) told him that Jack Willey's boys were cousins and that's why they were attending the reunion. This is our first concrete connection between all the Willey families.
Calvert said that the reason his branch spells their name Willie was because many years ago someone found letters written to or by Thomas Ambrous Willey and that was the way the name was spelled (Willie). So they started spelling it that way too, because that's how Tom spelled it. Calvert's daughter Barbara Sue said she spelled it Willey all her life though, as the other branches did.
More About THOMAS AMBROUS WILLEY:
Fact 1: Cem: old Saddle Mt. prim. Bap. Ch. Ennice, NC
Fact 2: Tom's profession was chair re-caning.

BURIAL: Buried in the Saddle Mt. church cem., Alleghany , NC He was a chair caner.

William W Carpenter TN 1805–1860
Rebecca P Bland 1802–1844
And the grandparents are ...
Samuel Carpenter 1775–1817
Jean Hundley Carpenter 1777–1830
BUT ... It is all assumed based on the 1850 US Census entry in Wilson County, TN of ...
Sarah Ozment 14 <------ This is clearly not Ellen Azmint who m. William W. Carpenter on 19 Apr 1847 in Wilson County, TN. Could this be a sister, niece or what?
Someone made a connection that Sarah Ozment and Ellen Azmint are either the same person or closely related. It appears, at best, speculation because in 1850 WWC is in Jefferson County, IL with Ellen his wife.

Is FS Thomas Lee? IE Are they one and the same?
MAYBE - the 1870 US Census image does not show T.S. - it clearly shows a F. L.
Yes, there is a crossbar on the F. where as the T should not have a crossbar. Later census records does not show a T.S. but a Thomas Lee. Then there is a question of sex. In 1870 the sex is female. But Thomas Lee, is clearly a male.
Question: Was Thomas Lee adopted or a nephew? At age 9 he should be with his family.

Is FS Thomas Lee? IE Are they one and the same?
MAYBE - the 1870 US Census image does not show T.S. - it clearly shows a F. L.
Yes, there is a crossbar on the F. where as the T should not have a crossbar. Later census records does not show a T.S. but a Thomas Lee. Then there is a question of sex. In 1870 the sex is female. But Thomas Lee, is clearly a male.
Question: Was Thomas Lee adopted or a nephew? At age 9 he should be with his family.

NOTE:
His biological mother gives her out of wed lock child to Manuel & Bettie Cockerham.
As for how we know Gilbert Carpenter was my Father's biological father, we learned that from family members of both Lela Mea Sanders and Gilbert Carpenters family. Also, we have both taken Autosomal DNA test and compared the results on several databases. Based on our DNA matches with Gilbert Carpenter's direct relatives on both his Paternal and Maternal side, we have concluded that he is the only possible biological father. Lela gave up my father to Manual and Bettie Cockerham but we haven't been able to locate an official adoption record in the state of Louisiana which is not uncommon since that was the during the Depression era in the deep south. Based on our common ancestors, there is no one else that can be my Fathers biological father. Mark

From 1937 to 1940, payments were made in one-lump sums amounts with the first amount being seventeen cents. Following amendments in 1939, the payments turned into monthly benefits and increased. Following further amendments in 1950, cost-of-living increases were awarded to those who were receiving benefits. From 1950 to the present, benefits have increased yearly in response to inflation concerning the costs of living.". "

"We undertook the arduous task of deciphering the handwritten pages of the 1940 Census to create a searchable index for the census. This was accomplished gradually, state by state, as we covered more and more of the census.

As required by the US Constitution, the census is a federal mandate to count every resident of the United States of America every 10 years. Census data is released to thepublic 72 years after it was taken.

Federal census takers were asked to record information about every person who was in each household on the census day. A census taker might have visited a house on a later date, but the information he collected was supposed to be about the people who were in the house on the census day. The basic census enumeration unit was the county. Each county was divided into enumeration districts, one for each enumerator. The completed forms were sent to the Commerce Department's Census Office in Washington, D.C.

Federal censuses are usually reliable,depending on the knowledge of the informant and the care of the census enumerator. Information may have been given to a census taker by any member of the family or by a neighbor. Some information mayhave been incorrect or deliberately falsified.". "

Solomon is a Aramaic-derived surname and given name; Sol as a given name is usually a form of "Solomon". Its Hebrew form, Shlomo is related to the word shalom ("peace");[1] and is often chosen in part as a reference to the well-known King Solomon mentioned in the Hebrew Bible. (The Arabic name سليمان, Suleiman or Sulayman, also meaning "peace", is regarded as equivalent to Solomon, and the Islamic prophet Suleiman and King Solomon are generally regarded as accounts of the same person.)

John, ...
Just for your information, I haven't found any evidence that Solomon C Carpenter b.1829 went by "Saul". Also, he didn't die in 1907 as the grave marker for "Saul" states since Solomon was in the 1910 Winn Parish Census living with his son, William Alexander. ...

6277. **Elizabeth Carpenter**

She married a Rudd, but she is buried in the Cockerham cemetery?

COMMENT:
She may have married a Rudd but I have not found any evidence. Also, I noted your comments on a Carpenter buried in Cockerham Cemetery. Maybe she was a Cockerham instead of a Carpenter that married a Rudd? I am not sure where Joshua Johnson got the information for the Find A Grave record in the Cockerham Cemetery. I know that the information provided that Peter C was a half sibling is not correct. He was her full sibling. Elizabeth is in her father's household in 1860 and 1870 but I haven't located a 1880 Census for Solomon or Elizabeth. I think this might require more research and it would help tremendously to find the

1880 Census records!

COMMENT: CONFIRMED brother of James per 1880 US Census. See below.

NOTE:
Baldwin County was established on December 21, 1809, ten years before Alabama became a state. Previously, the county had been a part of the Mississippi Territory until 1817, when the area was included in the separate Alabama Territory. Statehood was gained by Alabama in 1819.
Directly to the east is Escambia County then across Pensacola Bay is Santa Rosa County, Florida.

Carpenter's Station, Alabama
Carpenter's Station, Alabama, is a community located in Baldwin County, Alabama. It appears as "Carpenter" on the Bay Minette South U.S. Geological Survey Map.[1]
History
The community's name commemorates its original settler, Samuel Alexander Carpenter, born November 15, 1795 in Montgomery County, North Carolina, died February 2, 1884 at his home at Carpenter's Station, P.O. Hurricane, Baldwin County, Alabama (west of Bay Minette, Alabama).[2] During the War of 1812 he served in Captain Benjamin Cleveland's company of Tennessee Militia, enlisting on August 24, 1813 and serving for six months; he was honorably discharged on March 3, 1814, and later received a federal government pension for his service. In 1821, he was in the United States Territory of West Florida, where he signed a petition to the U.S. Congress expressing the signers' desire to be annexed to the State of Alabama.[3] On October 25, 1825, he married Aurelia Mary Hall in Baldwin County, Alabama.[4] She was born on January 2, 1807 in Mobile, Alabama, a daughter of Charles and Mary (Byrne) Hall of Baldwin County, both descendants of prominent pioneer families.[5] After their marriage, Samuel and Aurelia lived in Mobile County, Alabama, Escambia County, Florida, and Hancock County, Mississippi, as Samuel pursued a practice as an attorney. One source states that the P.O. received the official designation in 1898 for Aurelius M. Carpenter, who was killed while serving in the army during the Spanish-American War.[6]

Birth: 18 Jul 1803 Montgomery County, North Carolina, USA
Death: 9 Mar 1899 (aged 95) Mobile County, Alabama, USA
Burial: Unknown, Specifically: Possibly in Hinton Cemetery, but unproven

Memorial #: 157867159
Bio: James was born in Montgomery County, North Carolina to Solomon and Elizabeth Poer Carpenter. He was the youngest of three other siblings, Cynthia, Samuel Alexander and David Marcus.At some time during the 1840's, he moved to Perry County, Mississippi along with other Carpenter relatives.James met and married Martha Elizabeth Hinton, the daughter of William Riley and Martha Jane Everett Hinton on 27 Nov 1849.A farmer by trade, he managed to care for his wife and growing family in that little community in Perry County.According to the Federal census taken in 1860, he and Martha had moved the family to Port au Pines, Alabama where he continued to farm. Family legend was that he moved to Mobile county near his brother Samuel Alexander Carpenter.Following the death of his wife, Martha, his younger daughters, Martha and Georgianna, moved in with their maternal grandparents. His sons, Henry and John, remained with him and helped on the farm. He was still farming into his 70's. He may have moved back to Perry County to be near his in-laws since they were taking care of the younger daughters.

3655. **Thomas Carpenter**

PARENT:
Possibly Solomon Carpenter-153772

NAME:
Thomas by default being the ONLY male Carpenter documented in the 1840 US Census that was West of Escambia River, and, Bay of Pensacola, Escambia County, Florida Territory! See below.
BUT ... That Thomas is in Baldwin County, AL in 1830.
AND ... A Samuel A. Carpenter is in Escambia County, Florida in 1830! This is likely Samuel Alexander Carpenter-153744 b. 15 Nov 1795 in Montgomery County, NC. Shown as brother for now.

COMMENT:
Directly to the east of present day Baldwin County, Alabama is Escambia County then across Pensacola Bay is Santa Rosa County both in Florida.

NOTE:
Baldwin County was established on December 21, 1809, ten years before Alabama became a state. Previously, the county had been a part of the Mississippi Territory until 1817, when the area was included in the separate Alabama Territory. Statehood was gained by Alabama in 1819.
Directly to the east is Escambia County then across Pensacola Bay is Santa Rosa County, Florida.

NOTE:
Santa Rosa County was created in 1842, when it was divided from Escambia County. It was named after the barrier island along its southern coast, which in turn had been named for the Roman Catholic saint, Rosa de Viterbo.
Escambia County had been part of Spanish colonial settlement before the United States acquired it in 1818. The county was organized by European-Americans on July 21, 1821; it was named for the Escambia River. The name "Escambia" may have been derived from the Creek name Shambia, meaning "clear water",[4] or the Choctaw word for "cane-brake" or "reed-brake". The Choctaw were another major tribe in the Southeast.
NOTE:
Created on the same date, Escambia and St. Johns Counties were Florida's two original counties, covering the entire territory within modern state boundaries. The Suwannee River was the border between them,[6] following a winding path from the northern border of the state to the Gulf of Mexico. Essentially, the Escambia county government had jurisdiction over the "panhandle" and "big bend" areas, and St. Johns over the remainder of the entire state.

HISTORY: Florida history extract
In 1810, parts of West Florida were annexed by the proclamation of President James Madison, who claimed the region as part of the Louisiana Purchase. These parts were incorporated into the newly formed Territory of Orleans. The U.S. annexed the Mobile District of West Florida to the Mississippi Territory in 1812. Spain continued to dispute the area, though the United States gradually increased the area it occupied. In 1812, a group of settlers from Georgia, with de facto support from the U.S. federal government, attempted to overthrow the Floridan government in the province of East Florida. The settlers hoped to convince Floridians to join their cause and proclaim independence from Spain, but the settlers lost their tenuous support from the federal government and abandoned their cause by 1813.[36]
During the ...1817-1818 campaign against the Seminole Indians by Andrew Jackson that became known as the First Seminole War. The United States now effectively controlled East Florida. Control was necessary according to Secretary of State John Quincy Adams because Florida had become "a derelict open to the occupancy of every enemy, civilized or savage, of the United States, and serving no other earthly purpose than as a post of annoyance to them."
Florida had become a burden to Spain, which could not afford to send settlers or troops due to the devastation caused by the Peninsular War. Madrid, therefore, decided to cede the territory to the United States through the Adams-Onís Treaty, which took effect in 1821.[38] President James Monroe was authorized on March 3, 1821 to take possession of East Florida and West Florida for the United States and provide for initial governance.] Andrew Jackson, on behalf of the U.S. federal government, served as a military commissioner with the powers of governor of the newly acquired territory for a brief period. On March 30, 1822, the U.S. Congress merged East Florida and part of West Florida into the Florida Territory.

Elza or Eleazer Armstrong

Unknown what "St. Mary's" is.
The Carpenter Memorial on page 763 has his name as Eleazer Armstrong of Athens county, OH. In 1849, Eleazer made an overland trip to CA which proved to be a very successful one. On his reurn to OH, he went into stock rasing. He had one son, William, who died when about 17. Soon after his son's death, he and his wife took charge of the Athens county children's house located at Athens, OH. Their management received the unanimous approbation from the state board of charities.

The AF has marriage date to Lydia M. Carpenter as 17 Nov 1858, yet the AF has a child born to him in abt 1853. The Carpenter memorial indicates Lydia and Eleazer had only one child, William who died when age 17.
This probably indicates Eleazer was married twice.

Kathryn "Kate" Hanson Carpenter
Birth: 1861
Death: Nov. 15, 1911
Mobile
Mobile County
Alabama, USA
For many years my great grandmother has been a brick wall, leaving it almost impossible to determine who her parent's were and where she came from. It wasn't until recently that I discovered why...
At a young age Kate was orphaned. She had the good fortune of the Allen McSwain family taking her in and raising her as their own child. As a result of the love and kindness that they provided, Kate grew into a woman of faith and lending her hand to all in need.
She was living near William Hinton Carpenter in Perry County according to the census of 1880. It is where she

met him and they married on 9 Oct 1881. They lived in Perry County most of their married life and that is where the children were reared.
In their later years, they moved to Mobile, Alabama to an adorable house at 200 South Warren Street. Kate had surgery and unexpectedly developed pneumonia following it. She was unable to survive. Her husband was with her at the time of her death.
She had one son, James Albert Carpenter, that preceded her in death. He died a little over one year of age.
You will remain my special Angel and I look forwarding to meeting you in heaven someday.

Subject: Re: Carpenters - another related lineage found - 2A
I am sure Rhonda saw my note last week about the death of Don Carpenter, adopted son of Wilbur Carpenter, but wanted to mention that Wilbur is not doing well from losing Don. And, if she has not contacted Wilbur, she should make a concerted effort to do so. I suggest that she go to the nursing home and visit him. I believe he would be glad to see her. He is 95, or so, but a beautiful person.
I met John (Buddy)'s two sons shortly a couple of years ago and still have one possible contact to them if needed. I am still not doing research on the Carpenters, but may have seen something recently that made me think I may eventually get back around to them.

Father's name is really unknown. IT MAYBE Thomas but that is a GUESS.
Mother's first name is Isabella and she was born about 1790 in Virginia.
Any further information is welcome!

NOTE:
Santa Rosa County was created in 1842, when it was divided from Escambia County. It was named after the barrier island along its southern coast, which in turn had been named for the Roman Catholic saint, Rosa de Viterbo.
Escambia County had been part of Spanish colonial settlement before the United States acquired it in 1818. The county was organized by European-Americans on July 21, 1821; it was named for the Escambia River. The name "Escambia" may have been derived from the Creek name Shambia, meaning "clear water",[4] or the Choctaw word for "cane-brake" or "reed-brake". The Choctaw were another major tribe in the Southeast.
Created on the same date, Escambia and St. Johns Counties were Florida's two original counties, covering the entire territory within modern state boundaries. The Suwannee River was the border between them,[6] following a winding path from the northern border of the state to the Gulf of Mexico. Essentially, the Escambia county government had jurisdiction over the "panhandle" and "big bend" areas, and St. Johns over the remainder of the entire state.
Per Wikipedia
HISTORY: Florida history extract
In 1810, parts of West Florida were annexed by the proclamation of President James Madison, who claimed the region as part of the Louisiana Purchase. These parts were incorporated into the newly formed Territory of Orleans. The U.S. annexed the Mobile District of West Florida to the Mississippi Territory in 1812. Spain continued to dispute the area, though the United States gradually increased the area it occupied. In 1812, a group of settlers from Georgia, with de facto support from the U.S. federal government, attempted to overthrow the Floridan government in the province of East Florida. The settlers hoped to convince Floridians to join their cause and proclaim independence from Spain, but the settlers lost their tenuous support from the federal government and abandoned their cause by 1813.[36]
During the ...1817–1818 campaign against the Seminole Indians by Andrew Jackson that became known as the First Seminole War. The United States now effectively controlled East Florida. Control was necessary according to Secretary of State John Quincy Adams because Florida had become "a derelict open to the occupancy of every enemy, civilized or savage, of the United States, and serving no other earthly purpose than as a post of annoyance to them."
Florida had become a burden to Spain, which could not afford to send settlers or troops due to the devastation caused by the Peninsular War. Madrid, therefore, decided to cede the territory to the United States through the Adams–Onís Treaty, which took effect in 1821.[38] President James Monroe was authorized on March 3, 1821 to take possession of East Florida and West Florida for the United States and provide for initial governance.] Andrew Jackson, on behalf of the U.S. federal government, served as a military commissioner with the powers of governor of the newly acquired territory for a brief period. On March 30, 1822, the U.S. Congress merged East Florida and part of West Florida into the Florida Territory.

Maude Alma Wilson Carpenter
Birth: 31 Oct 1930
Death: 29 Aug 2010 (aged 79)
Burial: Sanders Chapel Cemetery, Calvin, Winn Parish, Louisiana, USA
Memorial #: 57943414
Bio:
Maude Alma Carpenter, born Maude Alma Wilson on October 31, 1930, departed this world to be with our Lord and Savior Jesus Christ at 8:05 PM August 29, 2010.
Maude was preceded in death by her parents, Henry H. and Cornelia Bundrick Wilson, beloved husband of 57 years, W.E. "Sam" Carpenter, a sister, Lanell Wilson Carpenter, and a brother, Howard H. Willson, a granddaughter, Lauren Brooke Jones, and Son-in-law, Michael Paul Procell.
Maude is survived by three children: Peggy Carpenter Chandler, Debbie Carpenter Procell, and Greg Carpenter. She is also survived by her grandchildren: Brandon Procell, Layton Procell, Erin Austin, Braxton Procell, Devon Knotts, Kennedi Carpenter, Shelly Carpenter, and Jamie Barron; her 5 great-grandchildren, and a host of

nieces, nephews, and other relatives and friends.
Born and raised in Winn Parish, she met her husband of 57 years, W.E. "Sam" Carpenter and lived in Calvin the remainder of her years. She was a faithful child of God, aloving wife, and a caring mother and grandmother. To us, she was "maw", our grandmother, an irreplaceable example and influence of love, strength and family. We all remember maw always being there in her strong, calm way loving and standing firmly behind her family. She made a good man great; paw, in our eyes. We believe she made all of us better. Although she never stood out in front, she was the strength for others who did. We remember the heat from her living room heater before school in the winter, the smell of the dining room air conditioner in the summer, and the perfectly crispy fish sticks and intensely sweet kool aid. As a child these things comforted us; they were evidences of her love, and are hers forever in our minds. As adults, we see the deeper parts of maw. We strive as husbands and wives for what we saw in maw and paw. As a loving grandparent, maw showed us what it takes to nurture a child in God's ways. We feel we are better people today because of her, as are many of you that knew her. She was Maude, Momma and Maw to us. We will miss her until we meet again, by and by Lord by and by.
Friends may visit with the family at Southern Funeral Home in Winnfield on Monday, August 30, 2010 from 6 to 9 PM.
Friends may visit with the family at First Baptist Church of Calvin on Tuesday from 1:00 PM to service time.
Funeral services will be held at First Baptist Church of Calvin at 4:00 PM Tuesday, August 31, 2010 with Brandon and Layton Procell officiating.
Interment will follow in Sanders Chapel Cemetery under the direction of Southern Funeral Home. Howard Wilson, Donald Wilson, Bobby Carpenter, Link Martin, Lamar Carpenter and Mike Carpenter will serve as pallbearers. Honorary pallbearers will be Milam Ray Lowe, Bob Carpenter, and Jerry Reed.

Reverend Carpenter was in enemy waters filled with German Submarines while sailing to Scotland, Ireland and England. He was given an early honorable discharge one year later after being injured.Reverend Carpenter was licensed by the Louisiana State Board of Contractors for the building of both commercial and residential buildings and employed a sizeable crew. He had built a reputation of being an honest man; therefore work was always plentiful.He loved big game hunting and carried his family on many of these hunts in New Mexico and Colorado. He always enjoyed his cattle farm and had a large herd. He took pleasure in planting, cutting and bailing hay for his cattle. He always planted a beautiful vegetable garden and over-planted so that he could give to those who needed vegetables.Reverend Carpenter made his Profession of Faith at the Welcome Home Baptist Church of Dodson in 1937, which became his home church where Rev. Harrison Cockerham was Pastor. He also served as Moderator of his association for a period of time and later was ordained as a deacon of the same church in 1952. He was the teacher of the Men's Class for many years until he was licensed and ordained in the ministry in 1962.His preaching ministry led him to pastor 10 churches in Ouachita, LaSalle, Caldwell, Grant and Winn Parishes; however his greatest love other than his pastorates was his mission work, which he began in January of 1968. Carrying teams of up to 17 men and women, he preached in the Lesser Antilles, the Leeward and Caribbean Islands. This included the various islands St. Croix, St. Thomas, St. John, Haiti, Anguilla and Dominica.Reverend Carpenter worked for 35 years among the poorest of the poor in Jamaica, amassing many heart wrenching stories both told and untold.Some of his experiences over the years were cataloged and written in his biography in early 2008 entitled "Throw It In The Creek". He was a prisoner on the Arisan Maru which was a 6,886 GRT Type 2A freighter constructed in 1944 during World War II and was one of Imperial Japan's hell ships. The vessel, named for a mountain on Formosa, was initially used as a troop transport. The vessel was then turned over for use for the transportation of prisoners of war (POWs) from the Philippines to Manchuria, China or Japan. On October 24, 1944 the ship was torpedoed by an American submarine and sank. Of the 1,781 POWs aboard, all of them escaped the sinking ship but were not rescued by the Japanese. In the end, only nine of the prisoners survived the sinking

MORE:
808th Military Police - Cpl. Manuel Carpenter was a Japanese Prisoner of War who was selected for transport to Japan, from the Philippines, in early October 1944.
His POW detachment was sent to the Port Area of Manila. The ship the detachment was scheduled to sail on was ready to depart, but the entire detachment had not arrived. Another POW detachment was not ready to sail but their ship was. The Japanese swapped POW detachments so the ship could sail. 1803 Prisoners of War were boarded onto the Arisan Maru on October 11, 1944.

The ship sailed and anchored in a cove off Palawan Island. It returned to Manila ten days later where it sailed as part of a convoy.
On October 24, 1944, late in the day, the ship was in the Bashi Channel of the South China Sea. The POWs, on deck preparing dinner, watched the Japanese run to the bow of the ship a torpedo past in front of the ship. Moments later, the guards ran to the stern as another torpedo passed behind the ship. The ship shook and came to a stop. It had been hit by two torpedoes amidships.
The POWs were forced back into the holds and the Japanese covered the hatch openings with their covers. They then abandoned ship.
After the Japanese were gone the POWs climbed onto the deck. Most had survived the attack. Those POWs who could not swim raided the food lockers. They wanted to die with full stomachs.
For two hours, the ship got lower and lower in the water. At some point, it broke in two. POWs took to the water on anything that floated.
Some swam to nearby Japanese ships, but they were pushed away by Japanese sailors with poles.
Five men found an abandoned lifeboat that had no oars. During the night, they heard the cries for help which faded away until there was silence. Only nine men survived the sinking. Eight survived to the end of the war.

So sad to hear this about our sweet valley (Vashti) . We all loved She and Conley and all the family as my dad and Conley were first cousins. My parents were so close and they enjoyed many many times together. carol Stewart Miller

My name is Dorothy. I met Mrs. Henderson about a year ago with my friend while we were in our ministry. Mrs. Henderson welcomed us into her home as if she had known us all her life. She was very hospitable toward us. She was also a spiritual person. We enjoyed sharing scriptural passages with her from the Bible. I also found out her son (Mike)and his family was my neighbor on Maple St. You all have my deepest sympathy.

Clifford ("Uncle Paul" to myself and my father) is still around. He has dementia now, so a few years ago he and his wife (my Aunt Kay) moved to Lexington, Kentucky to be with their daughter Carrie. He can remember Aunt Kay most days, but seems to remember his brother Lindsay (my long-deceased grandfather) more than his kids.

6373. **Amos H. Carpenter**

Amos H. (19) Carpenter was born 6 May 1855 and married 1st Nancy (maiden name unknown) 2nd a Miles (Christian name unknown).

Amos H. Carpenter was a well-to-do farmer and landowner in Webster County who donated land to the public schools in 1890. He disappeared one day and was found hanging from a tree in the forest near his home. Many neighbors suspected that he had been murdered with robbery as the motive. Others say that he was having financial difficulties because of a drinking problem and was so ashamed of squandering the good life and damaging the Carpenter name that he committed suicide. The episode has never been explained to everyone's satisfaction.

6780. **Nancy Carpenter**

DEATH:
Need to find death info. Some have 1 Mar 1913 and others have 10 Mar 1898 as death date.

Mary Ann Powell

AFN CIBB-JL (b. abt 1823) and AFN 51PM-01 (B. abt 1825) appear to be the same person. She married first cousins.

3844. **Rueben or Robert Carpenter**

Unknown what his name was, probably Robert. Not listed in the AF.
Father believed to be Mathias Carpenter.

Rueben Carpenter - referred to as Sterling Monroe Carpenter's paternal grandfather)

BIO: sort of - possible one of 2 unknown sons of Mathias.
http://www.martygrant.com/genealogy/carpenter/carpenter-mathias.htm
Unknown Son born ca 1786/90. In the 1786 census, Mathias only had one son listed, and that must be his son Jacob (c1779), but in 1790, he had three sons under 16 (born ca 1774/90), one of them was certainly Jacob (c1779), but the other two were new. If they were his sons, they were born between 1786 and 1790. This one, presumably the oldest, was no longer with Mathias by the time of 1800 census. At that time he would have been no more than 14 years old, so probably had died young (if he was a son, and not a border instead).

Unknown Son born ca 1786/90. In the 1786 census, Mathias only had one son listed, and that must be his son Jacob (c1779), but in 1790, he had three sons under 16 (born ca 1774/90), one of them was certainly Jacob (c1779), but the other two were new. If they were his sons, they were born between 1786 and 1790. This one, presumably the younger of the two "new" sons, was still with Mathias in 1800, listed there as age 10-15, or born ca 1784/90. He was not with Mathias in 1810, and no male Carpenter's this age were found in Ashe County. He either died, or moved away.
It has been suggested that William Carpenter (c1789) of Macon Co, NC is this son, but I've seen no proof to support that, though the age fits. However, in William's will he mentions his "mother Martha Rogers", so that excludes him from being a child of Mathias, unless born out of wedlock. Also no records show that William ever came from Surry or Ashe County, NC.

Leathe Carpenter

NAME: Last name probably not Carpenter, but that is the way it is listed in the AF. No parents listed.

6792. **C. Carpenter**

born in Mississippi.

3845. **Christinia Carpenter**

BIO:
http://www.martygrant.com/genealogy/carpenter/carpenter-mathias.htm
Christina Carpenter was born ca 1799/1800 somewhere in the New River vicinity of Ashe Co, NC.
Christina was apparently with her parents for the 1800, 1810, 1820 and 1830 census.
She never married, but had a child, apparently out of wedlock, as he took her maiden name (Andrew J. Carpenter born 30 Nov 1817).
In a deed dated 1842? (I haven't seen the original, but I believe this date is wrong, I got it from Danny Miller's work, who noted the same thing about the date probably being wrong), A. J. Carpenter sells land that formerly belonged to his mother "Christena Carpenter, deceased". But she was still living in 1842, so that is why I suspect the date is wrong. In another deed, of the same year, he referred to her as "Christina Watters". This may provide a clue to who Andrew's father was, perhaps a Mr. Waters (or "Watters").
Christina, and her son Andrew, were with her parents for the 1820 and 1830 census. When her parents died in 1835, the heirs made several deeds amongst themselves dividing Mathias' property. Christina was named on all these deeds (dated 21 Oct 1835). (Ashe County, NC Deed Book G page 165).
On 26 Aug 1836, Christina Carpenter sold 20 acres on Big Laurel Fork to James Langley. Her son Andrew Carpenter was a witness to the deed. (Ashe County, NC Deed Book M page 352).
On 30 Sep 1836, Christina Carpenter received a state land grant for 25 acres on the North Fork of New River. (Ashe County, NC Deed Book M page 244).
I did not find Christina on the 1840 census. Her son Andrew was head of household in Ashe County, but he had no one her age residing with him. She may have been residing with one of her siblings. Her oldest sister Franky was in Yancey County, so it doesn't seem likely that she went down there. Her next sibling was Jacob, also in Yancey, neither of whom had an "extra" woman Christina's age with them. The next sibling was Margaret, who was in Ashe in 1840 with husband Jonathan Miller. They had no one with them her age, but their enumerations in 1840 were badly inaccurate, so she could have been there with them. Sister Mary was in Ashe in 1840, but had no one Christina's age. Next was David, who had moved to Indiana by 1840. I doubt she was with him, but I don't have his 1840 enumerations yet to prove it.

Since Andrew J. Carpenter referred to his mother as "Christina Watters" in one record in 1842, it is possible she married, but then why was she a Carpenter again by 1850? (Divorce?). Since "Watters" and "Walters" are hard to distinguish, I'm not sure if the two households in 1840 Ashe were Watters or Walters, but there was a Jacob Walters who had 2 women age 30-39 (born ca 1800/10), and one of those could be Christina.
Christina Carpenter was listed as head of household, and by herself on the 1850 census in Ashe County. She was next door to her sister Margaret Miller. (So perhaps she was with them in 1840 after all?)

I have found no additional records for Christina after the 1850 census.

Hi Cousins;
Here's a little contribution if you haven't seen this before. Lucy Grant (Bly) Carpenter [in the picture] is in my mother's line. I am the gg-grandson of Rhoda Carpenter (1829-1908) who was the daughter of John Carpenter, Sr (1806-1883).

Jane M. Carpenter

See father's notes.
BIRTH: Either VA or OH.

3898. **Thomas Tanner**

Thomas Tanner was born circa 1837, married 1st Sarah Jane Long on 13 May 1860 2nd Emily Phillips 31 March 1865 and is listed as the son of Jesse and Judy in both marriages. Sarah Jane was the granddaughter of David Daniel and Nancy (Carpenter) Long and Thomas's first cousin, but once removed.

Children of William Tanner, of Jesse Tanner Sr., of Sudna Elizabeth (16) Carpenter:
This marriage continues the confusion between ""Buffalo" Tanner (RIN 39221) and "Ike" Tanner (RIN 28455) The orginal record had Thomas in the family of Buffalo, but the Mowrey book had him in the Ike family. I have continued to follow the Mowrey book and changed Thomas to that family. The reference is found on page 98 of the Mowrey book. Then under presure I had to switch him back.

Sarah Jane Long

Sarah Jane Long was born 1843 in Jackson County and married Thomas Tanner 13 May 1860 in Roane County, Virginia. Thomas was born 1837 in Jackson County, Virginia and was the son of Jesse and Judith (Carpenter) Tanner
(Please note discrepancy in mother of Thomas Tanner!)

Hi John,
I'm Jan Lawson and am doing research on my Powell family tree. Elvira Elizabeth Carpenter married Moses A. Powell in Conway Co., AR. in 1876. Moses was a brother to my great great grandfather Jesse S. Powell. I noticed in the Carpenter genealogical note material that Mary Ann Powell married Robert A. Carpenter in MS. in 1846 and that she married first cousins. Do you know who the Powell was that married into the Carpenter family that produced the first cousin situation? In an 1891 biographical memoir of Conway Co., AR. it states, "Robert Carpenter was probably a native of SC and born in 1825. He was married in Mississippi in 1846 to Miss. Mary A. Powell, who was born in Mississippi in 1825. She is the mother of seven children, viz.: Letha (deceased), Martha, wife of Joseph Vaughn; Elizabeth, now Mrs. R. M. Simpson; S.M.-; Julia, Louisa and an infant, deceased. Both were Primitive Baptists. Charles Powell, the father of William Powell, was also a South Carolinian.
If Robert A. Carpenter and Mary Ann Powell were first cousins, do you know the name of the common denominator for the two? The Elizabeth mentioned above is Elvira Elizabeth Carpenter Powell Simpson. She married a Simpson after Moses Powell died around 1886.
In one of the other genealogy webs it has Mary Ann Powell married to Robert A. Carpenter then to William Carpenter??? Is this the first cousin connection?
Any help would be very appreciated. Please respond to jlawson@granbury.com. Thank you. Jan Lawson.

Hi John,
I think you had better check your Powell/Carpenter listing on Rootsweb. You have a mix up on the Moses Powell that married Catherine Hallock and the Moses A. Powell that married Elvira Elizabeth Carpenter. Moses A. Powell, husband of Elivra Elizabeth Carpenter, was the son of William H. Powell and Margaret Faulkner/Fortner and was born July 1850 in Chickasaw Co., MS. died 1886 Center Ridge, Nichols Twp., Conway Co., AR. The information I sent you (appearing on your Roots Web page) was in reference to this Moses A. Powell not the one that married Catherin Hallock (that Moses did not marry Elvira Elizabeth Carpenter and did not have a second marriage that I know of).
Elvira Elizabeth Carpenter was the daughter of Robert A. Carpenter and Mary Ann Powell. She married 1.) Moses A. Powell, 2.) Ransom Moore Simpson and 3.) George Waters.
Robert A. Carpenter is listed on your website as the son of Robert Carpenter and Letha ? and as probable son of Methias Carpenter and Elizabeth ?
The information I sent you in 1999 brings that assumption into question as it states that Sterling Monroe Carpenter's paternal grandfather was Reuben Carpenter. Sterling Monroe Carpenter was a son of Robert A. Carpenter and Mary Ann Powell. Was the Robert Carpenter, husband of Letha ?, also named Reuben or is this Ruben of another Carpenter line?
Can you please make the changes on you webpages on both the RootsWeb listing and on the Family Treemaker listing. It really makes it hard to navigate either of them.

Any luck in further research on Mary Ann Powell?
Please respond. Jan Lawson.

Unfortunately this is a submission that I made some years ago, and I am trying to fix the mistake now.
The information for Andrew and Rebecca is incorrect and had been passed to my by a family member.....who
said I think their names were Andrew Carpenter (correct) and Rebecca Paul.....last name is correct but
the first name is still unknown and I do not at this point know of any Paul family members in Roane Co. W
VA. When I found an Andrew and Rebecca Carpenter, I assumed that that was the correct
individual.....I didn't do my homework and now I am finding that it is a great struggle to find
anything relating to that particular Carpenter/ Paul union. The only one that I have found to date is
William Carpenter who married a Nelly Carpenter in 1838. Much too early to be correct. William's
middle initial is A.....could have been nicknamed Andy if his middle name fit.....but still doesn't work
because there would have been several other children from that marriage. They are no where to be found
in the county as of 1855. It is my belief that it had to be a young marriage because there is only one
other sibling , a sister, and I don't even know who she is. Family tells be that Emma and her sister
were orphaned and raised by a neighbor....it is more like divorced or abandoned, I think.
There is an Andrew Carpenter , son of Joseph and Anna Miller Carpenter who had land grants in the Putnam
Co. area. He gives or sells property to an Alexander A. Carpenter in 1853, and obtains another land
grant in 1855, the yr that Emma was born. From that date until 1860, I know nothing of him. He as left
the area (Civil War unrest) and is alone in Berrien Co., Michigan. By 1870 he is married to Valira and
has children.
Members of Andrews family fought for the south and ended up in prison camp. One brother, Peter, married
for about 12 yrs , has 4 sons and is divorcing his wife....her complaint is the activities that he is
involved in with guerrilla warfare against the U.S.
It is odd that Andrew seems to have chosen a different route and went north. Whether he differed in his
political beliefs with his brother, I have no idea.... or maybe (26 yrs in the 1860 Census) he just
deserted the Paul woman.....anyway...another bad note is that the Census

taker for Putnam Co., in 1860
took only initials with the surnames and to top it off the page is so bleached out that it can hardly be
read (could be bad photography). Terry found it first. We still can not be sure that it is her, but she
is listed as E Carpenter, H/H , two daughters, one 6 and the other E.M. 5 (possibly Emma) and an E. PAUL
female is living with her. It most probably is her so might be Elizabeth Paul and her sister Eliza
Paul. Cabell Co., Courthouse was occupied by Union Soldiers, who , for what ever reason, destroyed
the marriage records. I have not seen any Court divorce for them as yet.....so you see I am in quite a
dilemma trying to find any real evidence. If any thing can go wrong on a search, it has happened here.
I am hoping to find some scrap of something somewhere that will put the two of them together.
It is so Very Very thoughtful of you to have gone to so much trouble on my behalf!
Thanks to you both,
Sandy

Rebecca Paul

Subject: RE: Benjamin Carpenter married Mary Bailey on October 31, 1848 in Indiana
Good Morning John!

Thanks for the advice.
I have ordered my DNA Kit. Here is the latest work on my Carpenter Line:

I can't seem to find any clues to my line of Carpenters any further back than Vigo County, Indiana on October 31, 1848 when Benjamin Carpenter (my g-grandfather) married Mary Ann Bailey. I visited Vigo and Sullivan Counties again in November and found a few post-marriage details but can find no burial place for Ben and Mary. Ben married Rebecca Schoonover in Sullivan County on Sept. 27, 1877. Don't know what happened to Mary Ann. Anyway, here is some information I have so far.

Ben and Mary's children were:
1849 Harriet Evelyn born in Vigo Co.
1852 Alonzo born in Vigo Co.
1854 Mariah born in Vigo Co.
1856 Sarah born (?) Indiana (I would assume Vigo Co.)
1858 George born in Vigo Co.
*1863 Charles Aaron (My grandfather) born in Vigo Co.
1877 Ben Marries Rebecca
???? Dennis is born

I found a record of a Benjamin Carpenter who died on Jan. 29, 1901 in Hymera, Indiana (Sullivan County) but no burial information. My cousin thinks this is not my Benjamin but the places and ages seem to work For me so I still think it is. I shall continue.

Charles Aaron Carpenter (My g-father) married Sarah Jane Houghton in Edgar County, Ill. on 23 January, 1887. Their children were:

Benjamin Stapleton	b. Nov 11, 1887
Maudie Maria	b. Aug 08, 1889
Charles William	b. Mar 13, 1891
Grover Cleveland	b. Jun 20, 1892
Mary Matilda	b. Sep 06,1894
Lizzie Euradica	b. Mar 06, 1897
Oather Houghton	b. Nov 16, 1900
*Don Dillard (My dad)	b. Apr 16, 1902
Leon Ashford (His twin)	b. Apr 16, 1902
Katie Lenora (Living)	b. Jun 26, 1905
Infant Son (Died)	b. Nov 21, 1906

Don Dillard Carpenter (My father) married Lillie May Sturdivant on July 30, 1924 and for the life of me I haven't been able to find out where.I know it was in Southern Illinois somewhere. I'll find it someday!

Don and Lillie's children were:

Charles Emerson	b. Sep 04, 1925
Roy Eugene	b. May 09, 1927
Marjorie Louise	b. Oct 04, 1929
Reuben Donald	b. Dec 06, 1931
George Taze (Me)	b. Jan 11, 1934
Irma Kathryn	b. Dec 31, 1935

George Carpenter married Irene Electa Lawrence on Jan 11, 1952 in Mercer County, Illinois. Our children are:

Michael Allen	b. Jan 08, 1953
Teresa Lee	b. Jun 13, 1956
Lorraine Sue	b. Apr 20, 1960

Mike and Terri had no children. Alas! My Carpenter line ends here.
Lori Sue Carpenter married Timothy Glenn Bausch on Nov 11, 1978 in Mercer County, Illinois. Their children are:

Ryan Michael	b. Oct 02, 1981
Dustin Glenn	b. Mar 09, 1986
Kodi Lynn	b. Nov 11, 1990

BIO:
http://www.martygrant.com/genealogy/carpenter/carpenter-mathias.htm
Jacob Carpenter was born ca 1778/79 in either the Deep Creek community or Hunting Creek area of Surry Co, NC (now Yadkin County).
Jacob Carpenter went to Ashe County with his parents, and left there ca 1800-1805 for Burke (later Yancey) Co, NC. He married Margaret --- ca 1800/05 in either Ashe or Burke County.
See his own page for additional information.

http://www.martygrant.com/genealogy/carpenter/carpenter-jacob-yancey.htm
Jacob Carpenter (c1779) and Margaret --- of Ashe, Burke, Yancey, Mitchell and Avery Co, NC
I (Marty Grant) am a 5th Great Grandson of Jacob and Margaret Carpenter.
Jacob Carpenter was born ca 1778/79 in either Rowan County, NC (where his father was in 1775) or in the Hunting Creek area of Surry County (now Yadkin) where his father was in 1782. I think Surry is more likely.
Jacob is a proven son of Mathias Carpenter and Elizabeth Miller .
Jacob was apparently home with his parents in Surry County for the 1786 and 1790 census. The Carpenter family moved to the New River Valley and settled in the Rich Hill Creek area shortly after 1790, and Jacob was with them. This was Wilkes County until 1799 when Ashe County was formed.
Jacob was apparently home with his parents for the 1800 census in Ashe County, NC.
On 7 Nov 1800, Jacob Carpenter received a land Grant for land on the Left side of Rich Hill Creek in Ashe County. (Ashe Co, NC Deed Book B page 290).
On 27 Nov 1800, Jacob Carpenter entered 100 acres on the north side of the North Fork of New River on Rich Hill Creek. (Ashe Co, NC Land Entries # 270).
Right around this timeframe (1800-1805), Jacob Carpenter did two important things. I don't know which order he did them in though. First (or second?) he married Margaret --- before 1805. Second (or first?) he moved to the Three Mile Creek area of Burke County, also before 1805.
I have not been able to determine Margaret's maiden name, nor find any strong clues about what is was. I also don't know if they married in Ashe County and then moved to Burke, or if Jacob found Margaret after moving to Burke and married her there. Recently, I've seen several researchers listing Margaret as a "Davis",

but I have no clue where that came from, and neither do any of them when I ask.
Although Jacob moved to old Burke County (in an area that became Yancey County in 1833, Mitchell County in 1861, and Avery County in 1911), he did not sell off his Ashe County lands until years later. Presumably his father and / or brothers-in-law looked after his Ashe County land for him, renting it out or whatever. Jacob's brother-in-law William Davis <../davis/wnc/davis-william.htm> had moved that area of old Burke County several years before, and that is probably why Jacob followed, after hearing favorable reports of the land, or visiting it himself.
Jacob Carpenter was listed on the 1805 Burke County tax list. He was listed with one taxable (himself) and 80 acres. I haven't located the deed, or land grant, where he obtained this land. Most of the early Burke County records were destroyed during the Civil War.
Jacob Carpenter was listed on the 1810 census in Burke County, NC. He was the only Carpenter listed in Burke at that time. He was living next to his brother-in-law William Davis <../davis/wnc/davis-william.htm>.

Jacob Carpenter was listed on the 1815 Burke County tax list in Captain White's company. He was listed twice, once for 77 acres on Three Mile Creek, and $80 value, and 1 white taxable, and 0 blacks. He was also listed for 100 acres on Three Mile Creek and $100 value and no taxables on that land. I don't know the origin of this land, as most early Burke County records were destroyed during the Civil War.
Jacob Carpenter was also listed on the 1815 Ashe County tax list. He was in Captain Sutherland's district, and listed between his brothers-in-law Jonathan Miller and Joseph Roten . He was listed with 100 acres, at $50 value and zero polls (he didn't live there) and his land bordered state land. A transcribed version of this tax list shows him as "Jonathan Carpenter".
Jacob Carpenter was listed on the 1820 census in Burke County. His brother-in-law William Davis <../davis/wnc/davis-william.htm> was two houses away.

On 21 Sep 1832, Jacob Carpenter "of Burke" gave his 100 acres of Ashe County land to "my son David" of "Ashe" for "natural love". The deed described the land as the same entered by Jacob Carpenter in 1800 on Left Fork of Rich Hill Creek. Jacob's son David Carpenter lived in Ashe a couple of years before rejoining his

father in old Burke. Jacob's nephew Jacob Davis <../davis/wnc/davis-jacob-graham.htm> witnessed the deed, along with Reuben Peppers. (Ashe Co, NC Deed Book M page 318).
The section of Burke County where Jacob and family resided was cut off in 1833 to form Yancey County.
On 17 Apr 1835, Isaih Franklin of Yancey Co, NC made a deed with Samuel Calloway, Jacob Carpenter, Samuel Franklin and Samuel Carpenter (Jacob's son) for one house saddle and bridle, and household furniture and farming tools, all for $16. This was apparently a mortgage deed, whereby Isaiah Franklin was borrowing money with all those items as his collateral. (Yancey Co, NC Deed Book 1 page 64 from "Index and Abstract of Deeds of Yancey Co., NC Deed Book 1" by Sally Williams, 1985).
Jacob's parents died in 1835 in Ashe County. Jacob's father Mathias Carpenter had large land holdings, and he left no Will. On 28 Oct 1835 several deeds were made by the various heirs dividing the land up amongst themselves.
The heirs were listed as Jonathan Miller, Margaret Miller (wife of Jonathan), Franky Davis, Jacob Davis (son of Franky), Jacob Carpenter, Joseph Roten, Mary Roten (wife of Joseph), Christena Carpenter and David Carpenter. (See Mathias' page for a complete accounting).
Jacob and the other heirs deeded David Carpenter 100 acres on Buffalo Creek. (Ashe Co, NC Deed Book G page 165)
Jacob and the other heirs deeded David Carpenter 5 acres somewhere. (Ashe Co, NC Deed Book G page 165)
Jacob and the other heirs deeded Joseph Roten 300 acres on the North Fork of New River including the "Big Spring". (Ashe Co, NC Deed Book G page 165).
Jacob Carpenter apparently kept 150 acres in Ashe County, on Laurel Fork for himself, and sold it many years later (1855).
Jacob Carpenter was listed on the 1835 Congressional Voter List as a voter at Oakes Precinct in Yancey County.
On 28 Dec 1836, Jacob Carpenter was mentioned in a land grant to William Davis Sen <../davis/wnc/davis-william.htm> (his brother-in-law) as a neighboring land owner for land on Three Mile Creek. (Yancey Co, NC Deed Book 1 page 156 from "Index and Abstract of Deeds of Yancey Co., NC Deed Book 1" by Sally Williams, 1985).
On the same date (28 Dec 1836), Jacob was again mentioned in a land grant, this one to his son William Carpenter for land on North East side of Doe Hill. (Yancey Co, NC Deed Book 1 page 196 from "Index and Abstract of Deeds of Yancey Co., NC Deed Book 1" by Sally Williams, 1985).
On 3 Jul 1838, Jacob Carpenter was mentioned as an adjoining land owner in a land grant to Levi Carpenter (his son), for land on Doe Hill. (Yancey Co, NC Deed Book 1 page 365 from "Index and Abstract of Deeds of Yancey Co., NC Deed Book 1" by Sally Williams, 1985).
Jacob Carpenter was listed on the 1840 census in Yancey County. His brother-in-law William Davis was not listed nearby this time (though they were still neighbors).

Jacob Carpenter was listed on the 1840 tax list in Yancey County in Captain Vance's Company. He was taxed for 130 acres, valued at $150, and he had no white polls (he was over age, apparently), and his tax was 75 cents. (Toe Valley Genealogical Society Newsletter, Volume 5, Number 8, October 1993, 1840 Yancey County Tax List, Capt Vance's Company by Kathy Sullivan)
Jacob Carpenter was listed on the 1841 tax list in Yancey County in Captain Swan's Company. He was taxed for 0 acres (he had 130 acres in 1840), valued at $0, and he had no white polls, and two black polls (apparently slaves). (What happened to his land?) (Toe Valley Genealogical Society Newsletter, Volume 5, Number 9, November 1993, 1841 Yancey County Tax List, Capt Swan's Company by Kathy Sullivan)
Jacob Carpenter made his Will on 8 Sep 1849 in Yancey County, though he did not die until seven years later. His Will is recorded in Yancey County Will Book 1 page 111:
In the name of God, Amen. I JACOB CARPENTER, formerly a resident of Surry County, but for many years past a resident of Burke now Yancey County in the State of North Carolina being advanced in years infirm of body, but of a sound mind and disposing memory, Calling to mind the uncertainty of life and the certainty of death do hereby make ordain and publish, this as my Last Will and Testament. To wit:

All the residue of my property not contained in this bequeath already made consisting of horses, cattle, hogs, money on hand, notes and accounts and property of every description, I give and devise to my children, WILLIAM CARPENTER, DAVID CARPENTER, SOPHIA ENGLISH, SAMUEL CARPENTER, NANCY FRANKLIN, ELIZABETH WISEMAN, LEVI CARPENTER, MARY CUTHBERTSON and FRANCES M. PYATTE to be equally divided among them, share and share alike.
Item the sixth. I constitute and appoint LEANDER PYATTE Executor of this Will. I have this the 8th day of September in the year of our Lord (1849) made ordained and published this as my Last Will and Testament, revoking all former Wills and have signed the same in the presence of each of each other and in the presence of the testator.
JACOB CARPENTER (seal)
Attest. WILLIAM DAVIS
GEORGE W. DAVIS
Jacob's nephew William Davis <../davis/wnc/davis-william-graham.htm> and William's son George W. Davis were the witnesses to his Will.
Jacob Carpenter was listed on the 1850 census in Yancey County, NC between his son Levi Carpenter and his son-in-law Leander Pyatt. Jacob's grandson Thomas D. Carpenter was residing with them.

On 10 Dec 1855, Jacob Carpenter sold 150 acres in Ashe County, NC to John Graybeal. The land was on Laurel Fork. Though the deed does not say so, I believe this was land he inherited from his father. Witnesses were Joseph Roten (Jacob's brother-in-law) and David Graybeal.
Jacob Carpenter died in Yancey County on 18 Jul 1856. His grandson (and namesake) Jacob Carpenter wrote of him in his "Anthology of Death ": (some punctuation added by me)
"Jacob Carpenter age 86 dide July 18 1856. Wars farmer and coper to make hoses and md brand and never hade drunker in his family and never had Dockor in his family. No sickness. ra 12 children"
Properly translated, Jacob said that his grandfather died at age 86 (which was wrong, he was only 77 or 78), and that he was a Farmer and Cooper and made "hoses" (houses?) and he made Brandy but had no drunks in his family, and no one ever needed a Doctor. He raised 12 children (only nine are known, but census records show there were at least 2 more, who probably died young).
Jacob Carpenter is probably buried somewhere near Three Mile Creek. His sister and brother-in-law Frances and William Davis <../davis/wnc/davis-william.htm> are buried in a small cemetery on Three Mile Creek, and it is possible that Jacob and other family members are there as well, in unmarked graves.
Widowed Margaret Carpenter was listed by herself on the 1860 census in Yancey County. However she wasn't alone by much, her grandson Jacob Carpenter was in the next house, and on the other side was her son Levi Carpenter.

CARPENTER MARGARET	71	F	W	NC 1788/1789

Mitchell County was created in 1861 from the section of Yancey where the Carpenters lived.
I did not locate Margaret on the 1870 census though she must have been in Mitchell somewhere.
Margaret died on 5 Jun 1875 in Mitchell County. Her grandson Jacob also wrote of her death in his writings:
"Margit Carpenter age 87 dide Jun 5 1875. Wars good womin. Good for pore, she did not have no bed to slep on when she was marid. She slip on der skin til mard but that lok lik hard times. No womin had to li on derskins when was mared."
In other words, she was age 87 when she died (which was correct). She was a good woman, she was poor, and had no bed to sleep on before she married, and had to sleep on a deer skin until she married Jacob

Carpenter. "No woman had to lie on deerskins when she was married".
Margaret is probably buried next to Jacob, wherever that might be.

Children
Jacob and Margaret Carpenter had nine proven children, and at least two more are indicated by early census records. This makes eleven. Jacob Carpenter (1833) (Grandson of the elder Jacob) said that his grandfather raised "12" children. Jacob (Sr) named nine children in his Will of 1849. The other three apparently died before then.

I did not locate Margaret on the 1870 census though she must have been in Mitchell somewhere.

Margaret died on 5 Jun 1875 in Mitchell County. Her grandson Jacob also wrote of her death in his writings:

"Margit Carpenter age 87 dide Jun 5 1875. Wars good womin. Good for pore, she did not have no bed to slep on when she was marid. She slip on der skin til mard but that lok lik hard times. No womin had to li on derskins when was mared."
In other words, she was age 87 when she died (which was correct). She was a good woman, she was poor, and had no bed to sleep on before she married, and had to sleep on a deer skin until she married Jacob Carpenter. "No woman had to lie on deerskins when she was married".

Margaret is probably buried next to Jacob, wherever that might be.

6771. **Sophia Carpenter**

http://www.martygrant.com/genealogy/carpenter/carpenter-jacob-yancey.htm
Sophia Carpenter was born ca 1809/10 in Burke (later Yancey, later Mitchell, now Avery) Co, NC. I don't know who she might have been named after.
Sophia was apparently home with her parents for the 1810, and 1820 census.
Sophia Carpenter married Gabriel English during the 1820-1830 timeframe, in Burke County, NC (no marriage record found). Gabriel was born ca 1808/09, and other researchers list him as a child of Henry English and Rachel Oakes.
Gabriel English and his parents, etc, lived in the section of old Burke that became McDowell County in 1842.

Regarding the English family, I fount that there were none in Burke County in 1790, though several were in nearby county of Rutherford.
In 1800, there were still no English families in Burke.
In 1810, Henry English was the only one listed in Burke County, and with apparent wife and several children, including 3 sons under age 10, which would include son Gabriel (c1809). They were just a few households from Jacob Carpenter, so in or near the Three Mile Creek area.
In 1820, Henry English was still in Burke, but clearly had moved to the area of Burke that later became McDowell County. He had two boys with him age 10-15, born ca 1804/10, and that would include son Gabriel (c1809).
In 1830, Henry English was listed one page from his recently married son Gabriel English in Burke County. Gabriel was listed in Burke County next to Jefferson Hensley <../hensley/hensley-benjamin-burke.htm>, in what was soon to become McDowell County.

Gabriel English was listed on the 1840 census in Burke County, NC in the section that later became McDowell. He was just two houses from his father Henry English Sr.

In 1842, McDowell County was formed from part of Burke, including where the English family resided.
On 8 Sep 1849, Sophia was named in her father's Will as daughter "Sophia English".
Gabriel and Sophia were listed on the 1850 census in McDowell County. They were just a few houses from his parents and several siblings. Sophia's sister Mary Cuthbertson was a few pages away. Jane and William Swann were residing with them, as was John Bowman. I don't know who (or if) they were related to the English or Carpenter families. There were other members of the Swann family residing with other English families, so that must be where the connection is.

Gabriel and Sophia were still in McDowell for the 1860 census. Their Post Office was listed as North Cove. Emily Franklin, age 7 was with the family in 1860. She could be a niece of Sophia, a child of her sister Nancy Franklin. John Williams, age 11 was there also, don't know how, or if, he is related. Also listed was Jane Swan, age 27, possibly same girl from 1850, though the age doesn't match.

Gabriel and Sophia were still in McDowell for the 1870 census in North Cove Township. Elizabeth Franklin, age 20, niece of Sophia was with them, a child of her sister Nancy Franklin. J. M. Carpenter age 14 was with them, probably a nephew. It could be Josiah M. Carpenter, son of Samuel Carpenter.

Gabriel and Sophia had no children.

Notes

3715. **James Addison Carpenter**

COMMENT:
Taken from the Mowrey book, Vol. II: Many Carpenter researchers believe that James Addison was a son of Old Jeremiah after 1830, and tradition says that his demise occurred in 1832. All available information indicates that James Addison was born circa 1834/1835. Logic dictates that he would probably be the son of John S. Carpenter. He is very likely the James who is missing in the 1860 Census.

NOTE:
Taken from Mowrey book, Vol. II: James Addison Carpenter married circa 1853 Rosanna Coger (born in June of 1835 and died 20 December 1903, daughter of Benjamin and Mary (Hosey) Coger and granddaughter of Peter and Mary (McElwain) Coger and John and Mary (Cool) Hosey- two of the oldest families in Braxton County.

In the Mowrey book, page 171, Vol. III the following is shown: James Carpenter, (born 17 May 1835, d: 14 Jan 1914) married Sarah Jane Grady (who was born 15 September 1837, died 29 July 1918),on 14 March 1853, James was the son of John S. and Mary Judith (Miller) Carpenter).

This entry does not match earlier records as shown above. It may be that the confusion as to exactly who or which James Carpenter married Rossana Coger, or Sarah Grady is shown in the first paragraph of these notes. In the entering of the Mowrey book I have given precident of that information to the information contained in the orginal record, however accurate it may be. In this case I am going to add a marriage for James, even though the marriage dates are obvisouly incorrect. It will tie the families together for record keeping, and won't leave Sarah Jane Grady in limbo. <--------- !!!

Sarah Jane Grady

COMMENT:
In the Mowrey book, page 171, Vol. III the following is shown: James Carpenter, (born 17 May 1835, d: 14 Jan 1914) married Sarah Jane Grady (who was born 15 September 1837, died 29 July 1918),on 14 March 1853, James was the son of John S. and Mary Judith (Miller) Carpenter).
This entry does not match earlier records as shown above. It may be that the confusion as to exactly who or which James Carpenter married Rossana Coger, or Sarah Grady is shown in the first paragraph of these notes. In the entering of the Mowrey book I have given precident of that information to the information contained in the orginal record, however accurate it may be. In this case I am going to add a marriage for James, even though the marriage dates are obviously incorrect. It will tie the families together for record keeping, and won't leave Sarah Jane Grady in limbo. (per John E. Proctor 12/1999) To complete this issue is the entry in the orginal record of a Sarah Jane Grady, with the same birth date, who is shown to be married to Elijah Carpenter. The text from the Mowrey book makes the status of Sarah Jane suspect. To whom was she married? See text below taken from page 182 of the Mowrey book. From the information in the Mowrey book I am unable to correctly determine the marriages of Sarah Jane, or if in fact we are dealing with two individuals. I rather suspect that the husbands of Sarah Jane are mixed up.

NOTE:
Jerome R.S. Mowrey, who married Malinda Carpenter, eldest daughter of Elijah and Sarah Jane Grady),
Carpenter, is probably the best known of this family- He supposedly served in both the Union and Confederate Armies at one time or another during the Civil War and escaped from Andersonville near the end of the war. OR ... As a Seventh Day Adventist Minister, he travelled back and forth between southern Ohio and the Shenandoah Valley preaching the gospel, healing

the sick and afflicted and establishing churches. He once burst into a Baptist Church service preaching Revelations, was arrested for disturbing a public meeting and later successfully defended himself by serving as his own attorney at his subsequent trial. His power of persuasion was so great that the jury deliberated less than half an hour before returning a unanimous verdict to acquit him of all charges.

Harvey Henson (18) Carpenter was born around 1840 and married Mary Jane McCort 20 December 1860 in Braxton County. Mary Jane was born circa 1840, daughter of Andrew and Jane (maiden name undiscovered) McCort.

Hanson Carpenter in the 1870 Webster County census is identified as Harvey Carpenter in the 1880 Webster enumeration by comparing his wife and children. The only other children of John S. and Sydney (Cowger) Carpenter for whom information has been found are Emeline who married James McCourt, Cain who married Corella McCourt and Love who married Luverna (Maiden Name Unknown). (Taken from the Mowrey book)

In another part of the Mowrey book there are 11 children listed for John S. and Sydney.

CENSUS: 1850 US Census - with father. See father's notes. Listed as Hanson age 10.

Emaline (18) Carpenter was born around 1847 and married James J. McCort circa 1866 in Braxton County West Virginia. James was born circa 1840, son of John B. and Mary (Burns) McCort.

There was two Emaline Carpenters - one generation apart. Which one married James J. McCort is the question. It may be strange but did the younger one marry her cousin named James A. McCourt?

Children of Jesse Tanner Jr., of Jesse Tanner Sr., of Samuel Tanner/Sudna Elizabeth (16) Carpenter. (This is taken from page 96 of the Tanner book. It appears that there is confusion in the families of Jesse "Buffalo" and Jessie "Ike" Tanner and their children, as well as who they married. In entering this information I, John Proctor, am unable to determine which is accurate, so am going by the consistancy of the Mowrey Book, even though it may be inaccurate. All of the children given in the orginal record for this family are shown in the Mowrey book, however there are 3 additional children in the orginal record, Jesse, Henry and Rebecca Tanner, none of these children are shown in the Mowrey book, however I am leaving them in the family.
Jesse Tanner Jr. was born in February of 1825, died 1907 and married Sarah Jane Greathouse 4 November 1845.

3730. **Mary Tanner**

This marriage continues the confusion between ""Buffalo" Tanner (RIN 39221) and "Ike" Tanner (RIN 28455) The orginal record had Mary in the family of Buffalo, but the Mowrey book had her in the "Ike" family. I have continued to follow the Mowrey book and changed Mary to that family. The reference is found on page 98 of the Mowrey book. Then under presure I had to switch her back.

Mary Tanner was born about 1826 and married Isaac Starcher 10 June 1846. Children of Mary Tanner, of Jesse Tanner Sr., of Samuel Tanner/Sudna Carpenter (16).

3732. **William Tanner**

William Tanner was born around 1834 and married 1st 8 March 1858 Isobel Booher (daughter of John and Elizabeth Booher) 2nd 22 September 1865 Hannah Sherman (daughter of Abraham and Rebecca Sherman) and 3rd 22 September1867 Malissa (Booher) Starcher, widow).

William was married first to Isabel (_____) they appear on the 1860 census along with children Martha age 5 & Alex age 2. William married second on 22 Jan 1865 to Hannah Sherman in Roane Co. He was age 29, she age 21. William married a third time in ,Calhoun,WV. 22 Sept 1867 to Melissa Booker Starcher, d/o Jacob & Nancy Booker. William was a Confederate soldier during the Civil War. He served in Co. G. 60th Va. Inf. CSA.

This marriage continues the confusion between ""Buffalo" Tanner (RIN 39221) and "Ike" Tanner (RIN 28455) The orginal record had William in the family of Buffalo, but the Mowrey book had him in the "Ike" family. I have continued to follow the Mowrey book and changed William to that family. The reference is found on page 98 of the Mowrey book. Then under presure I had to switch him back.
